Issues & Difficulties for Consideration

Decisions of the Hon'ble Prime Minister

Information regarding students' needs to be updated.
Ministry of Tribal Affairs should expeditiously complete the same.

2) Wrong entry/deactivate/mismatch of name in account details leads to failure of payment. Sometimes, reasons not known for failure of payment released through Public Financial Management System (PFMS). Ministry of Tribal Affairs and Department of Financial Services should resolve the issue and also reason of failure of payment should be communicated to the beneficiaries.

3) Ministry of Tribal Affairs should improve communication with students as well as with the target group/institution and publicise the programme.

4) Ministry should explore the possibility of adding more institutions under this programme.
